

**Facts & Figures 2023**  
**International Campus, Zhejiang University**

As of September, 2023

## I. Education

### *Current students*

As of September, there are 2936 full-time students on the International Campus, including 1626 undergraduates, 975 master's students and 335 doctoral students. The number of international students is 425.

**Table1 Composition of Undergraduates**

Institutes	Programs	Subtotal	Freshmen	Sophomores	Juniors	Seniors
ZJE	Biomedical Sciences	375	96	95	92	92
	Biomedical Informatics	169	48	46	43	33
	Subtotal	544	144	141	135	124
ZJUI	Computer Engineering	288	73	76	68	71
	Electrical Engineering	251	63	58	65	65
	Mechanical Engineering	208	55	58	47	48
	Civil Engineering	168	40	41	38	49
	Subtotal	915	231	233	218	233
ZIBS	Global Communication and Management	143	61	38	34	10
Other	Single Degree Students of Main Campus	24	4	5	8	7
Total		1626	440	417	395	374
Undergraduates (female)		523	127	137	142	117
Undergraduates (from overseas)		205	75	57	46	27

**Table2 Composition of Masters and Doctoral Students**

Institutes/Programs		Subtotal	Masters	Doctoral Students
ZJE		149	58	91
ZJUI		340	199	141
ZIBS		691	679	12
Others	Research Institute	66	/	66
	UoE	64	39	25
Total		1310	975	335
Students (female)		635	496	139
Students (from overseas)		230	210	10

### *Graduates*

The graduating class of 2023 had a total of 280 undergraduate students, out of which 279 students obtained a bachelor's degree. Among the graduates, there were 277 Chinese nationals, with 73 choosing to pursue further studies within China and 168 opting for overseas education. Among the students who went abroad, 123 were accepted into the top 20 world-renowned universities, accounting for 73.21% of the total number of students studying overseas. A total of 66 students were admitted to doctoral programs, with 27 of them receiving full scholarships for studying abroad. In terms of their primary employment destinations, 3 students chose research institutes, 2 students joined state-owned enterprises under the supervision of the State-owned Assets Supervision and Administration Commission, and 1 student was employed through local government selection.

In the case of the graduating class of 2023, there were 201 graduate students, with 193 of them achieving a master's degree and 6 obtaining a doctoral degree. Among the graduate students, there were 151 Chinese nationals, and 91.39% of them chose to pursue employment. The main employment sectors for these graduates included the finance industry, information technology services, manufacturing, and others, with 71 students working in these fields. Additionally, 18 students joined state-owned enterprises, 5 students were employed through central and local government, 4 students engaged in teaching and research at universities, 2 students pursued post-doctoral positions at universities and affiliated hospitals, and 3 students joined tertiary hospitals.

## *Students' Enrollment*

As of September, the International Campus has welcomed 960 new students, including 447 undergraduate students, 426 master's students and 87 doctoral students. Among the freshmen admitted in 2023, there are 179 international students from 48 countries.

## II. Faculty & Staff

There are 456 faculty and staff members on International Campus. 75 of them are fulltime faculty members, with 27 coming from overseas. 162 are Adjunct faculties, with 72 international ones. 127 staff members comprise the Campus's administrative supporting team, with 55.1% of whom have international background. In addition, there are 6 language instructors, and 86 postdoctoral fellows. Among the high-level talents, there are 8 academicians, 4 attendees of National Science Fund for Distinguished Young Scholars and 1 attendee of National Science Fund for Outstanding Youth.

**Table3 Composition of Faculty**

Category	Total	ZJE	ZJUI	ZIBS
Total	237	114	86	37
Full-time	75	25	38	12
Adjunct (from Partner Universities)	162 (68)	89 (29)	48 (39)	25 (0)

## III. Scientific Research and Technology Transfer

### *Projects*

The amount of scientific research funds by International Campus was 34.58 million Yuan in total.

21 projects have been approved under the National Natural Science Foundation of China, including 3 projects for outstanding young scholars from foreign countries, 7 general projects, and 11 young scientist projects. 1 project has been approved under the Youth Scientists Program of the National Key Research and Development Plan of the Ministry of Science and Technology. Moreover, 1 project has been approved under the "Jianbing" and 1 under "Lingyan" R&D Program of the Provincial Science and Technology Department. 4 projects have been approved under the Provincial Natural Science Foundation, including 1 major project, 2 key projects, and 1 joint foundation project. Furthermore, 1 project has been approved under the Soft Science Research Program of the Provincial Science and Technology Department. 1 research project has been approved under the Zhejiang Provincial Philosophy and Social Science Planning. 31 non-government sponsored research projects have started up.

## ***Research Centers and Platforms***

The total amount of the research centers and platforms on International Campus is 36, including 1 National Key Laboratory, 1 International Cooperation Joint Laboratory of the Ministry of Education, 2 International Cooperation bases of Ministry of Science and Technology, 1 Belt and Road Initiative Joint Laboratory of Ministry of Science and Technology, 1 Engineering Research Center of Zhejiang Province, 8 International Cooperation Base of Zhejiang Province, 1 Soft Science Research Base of Zhejiang Province, 3 Research Institute of Zhejiang University and 6 research institutes co-established by the Campus and local governments/corporations, and 12 International Joint Innovation Centers.

## **IV. Campus-running Support**

### ***Teaching Space***

Teaching Labs: Quantity 40, Net Area 5989.18 m<sup>2</sup>

Classrooms: Quantity 80, Net Area 8433.11 m<sup>2</sup>

### ***Instruments***

Quantity: 17259

Value: 320.56 million Yuan (283.03 million Yuan for teaching and research)

Value added this year: 53.57 million Yuan (46.36 million Yuan for teaching and research)

### ***Library***

Paper books: 93,000

Paper books added this year: 4286

E-books: 6490
